Dear Clinton Johns

This is just a short note, but it comes from my heart to yours.

Thank you for your donation of plastic roof sheeting. Your generosity will make an immediate difference to the lives of the animals in our care as well as the pets in our surrounding disadvantaged communities.

Each year the AWSS continues to advance its mission of caring for the abused, neglected and unwanted animals. Through our programs of education and mass sterilisation we have seen many lives changed for the better.

With the help of donations from supporters such as you we will continue to see improvements in the care of the animals in our community.

Thanks again for your generous support of our efforts. Please feel welcome to visit our shelter at your convenience and see for yourself where the donations you gave us, are being used.
